INDEPENDENT AUDITORS' REPORT

City of Greenfield
Greenfield, Iowa

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, and each major fund of the City of Greenfield, Iowa as of and for the year ended June 30, 2006, which collectively comprise the City of Greenfield's basic financial statements listed in the table of contents. These financial statements are the responsibility of the City of Greenfield's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with U. S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, and each major fund of the City of Greenfield as of June 30, 2006, and the respective changes in cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 4, 2006, on our consideration of the City of Greenfield's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Budgetary Comparisons on pages 20 and 21 are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The City of Greenfield has not presented Management's Discussion and Analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Greenfield's basic financial statements. We previously audited, in accordance with the standards referred to in the second paragraph of this report, the financial statements for the three years ended June 2005 (which are not presented herein) and expressed unqualified opinions on those financial statements. Other supplemental information on pages 20 through 25 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CITY OF GREENFIELD, IOWA

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. *General* –

City of Greenfield (the City) is a political subdivision of the State of Iowa located in Adair County. The City operates under the mayor-council form of government with the mayor and council members elected on a nonpartisan basis. The City provides numerous services to citizens including public safety, public works, health and social services, culture and recreation, community and economic development and general government services. It also operates an airport and with its components provides a wastewater system, water system, electric system and library.

B. *Financial Reporting Entity* –

In determining the financial reporting entity, the City complies with the provisions of GASB Statement No. 14, *The Financial Reporting Entity*. GASB Statement No.14 criteria to determine financial accountability include:

1. Appointing a voting majority of an organization's governing body,
2. The ability of the City to impose its will on that organization, or
3. The potential for the component unit to provide specific benefits to, or impose specific financial burdens on the City.

The City has considered all funds, organizations, account groups, agencies, boards, commissions and authorities as potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. For financial reporting purposes, the City's reporting entity is composed of the following:

Primary Government:	City of Greenfield, Iowa
Discretely Presented Components:	Greenfield Municipal Utilities Greenfield Public Library

Discretely Presented Component Units –

Greenfield Public Library (Library) is governed by a seven-person board, some appointed by the City Council, and some by the County Board of Supervisors, but whose operating budget and funding is provided by the City Council. The Library does not issue separate financial statements.

Greenfield Municipal Utilities (GMU) is governed by a three-person board of trustees appointed by the City Council. GMU operates water and electric utilities, which operating budgets are included in the City's overall budget. The water and electric financial statements included as part of the City's financial statements are presented on the cash basis of accounting. Financial statements for each department, on the accrual basis, are available separately.

See Independent Auditors' Report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Jointly Governed Organizations –

The City also participates in several jointly governed organizations that provide goods or services to the citizenry of the City but do not meet the criteria of a joint venture since there is no ongoing financial interest or responsibility by the participating governments. City officials are members of the following boards and commissions: SICOG Project Board, Adair County Sanitary Disposal Commission, SIRWA, E911 Service Board, and Greater Greenfield Community Foundation.

C. *Basis of Presentation –*

The accompanying financial statements are presented on the basis of cash receipts and disbursements. This modified basis of accounting differs from accounting principles generally accepted in the United States. Generally accepted accounting principles include all relevant Governmental Accounting Standards Board (GASB) pronouncements. In the government-wide financial statements and the fund financial statements for the proprietary funds, Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied, to the extent they are applicable to the cash basis of accounting, unless those pronouncements conflict with or contradict GASB pronouncements, in which case GASB prevails. Further, financial statement display examples, issued by the State Auditor of Iowa, are considered in the accompanying financial statements.

Government-wide Financial Statements –

The Statement of Activities and Net Assets reports information about the reporting entity as a whole, including all funds and activities except fiduciary funds. For the most part, the effect of interfund activity has been removed from this statement. This statement distinguishes between governmental and business-type activities. Governmental activities are generally financed through tax and intergovernmental revenues and other non-exchange (referred to as contributions) revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods and services. The Statement of Activities and Net Assets presents the reporting entity's net assets in two components:

1. Restricted net assets: Result when constraints placed on net asset use are either externally imposed or imposed by law through constitutional provisions or enabling legislation, and
2. Unrestricted net assets: Consist of net assets that do not meet the definition of restricted. Unrestricted net assets often have constraints (designations) on resources imposed by management, which may be removed or modified at any time.

The Statement of Activities and Net Assets also demonstrates the degree to which the direct disbursements of a given program, or function, are offset by program receipts. Direct disbursements are those clearly identifiable with a specific function. Program receipts are presented as three types:

1. Charges for Services: Consist of charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function,
2. Operating Grants and Contributions: Consists of non-exchange revenue and interest on investments restricted to meeting the operational expenses of a particular function, and,

See Independent Auditors' Report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Capital Grants and Contributions: Consists of non-exchange revenue and interest on investments restricted to meeting the capital costs of a particular function.

Property tax and other items, not properly included as program receipts, are instead reported as general receipts.

Program Receipts –

In the Statement of Activities, cash basis revenues that are derived directly from each activity, or function, are reported as program revenue receipts. The City and Library governmental funds have the following program receipts in each activity:

Public Safety	Fine revenue and intergovernmental fire reimbursements
Public Works	Road use taxes, aviation fuel sales, hanger rents
Culture and Recreation	Swimming pool and camping fees, other recreation fees
General Government	License and permits, building expense reimbursements and miscellaneous user fees
Library	Late fees, copier fees and operational contributions of county and township funding

Program revenues for City proprietary funds and similar components are from user fees charged for the services provided to the users and all other related revenues not related to capital and noncapital financing or investing activities.

Fund Financial Statements –

The accounts of the City and its components are organized on the basis of funds, each of which is considered a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its receipts, disbursements and cash and investment balances. Funds are reported as either governmental or proprietary type funds. The reporting entity has no fiduciary funds. A separate fund financial statement is presented for each fund type group.

Emphasis is placed on major funds within the governmental and proprietary type categories. A fund is considered major if it has (a) assets or expenditures of at least 10 percent of the corresponding total of all funds of that fund group, and (b) assets or expenditures at least five percent of the corresponding total of all governmental and enterprise funds combined. Alternatively, management may determine that all funds should be reported as major funds. The accompanying Fund Financial Statements report all funds as major funds as follows:

Governmental Fund Types -

City General Fund – This fund is the general operating fund of the City. All general tax receipts and other receipts not allocated by law or contractual agreement to some other fund are accounted for in this fund. Disbursements from this fund are for all general operating expenses/expenditures and fixed charges and capital improvement costs that are not paid from other funds.

See Independent Auditors' Report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

City Special Revenue Funds – These funds are used to account for the proceeds of specific revenue sources that are either legally restricted to expenditures for specified purposes or designated to finance particular functions or activities of the City. The reporting entity includes the following special revenue funds:

Road Use Tax Fund, accounts for gasoline excise taxes received and legally restricted for road and street construction and maintenance.

Employee Benefit Fund, accounts for a special levy for employee group insurance.

Tax Increment Financing Fund, accounts for incremental taxes associated with urban renewal districts improvements and debt service.

The Local Option Sales Tax Fund, accounts for revenues from the tax authorized by the voters and used for capital improvements and maintenance.

City Debt Service Fund – This fund is used to account for property taxes levied for the payment of interest and principal on the City's general long-term debt. The Debt Service Fund has collected \$39,003 in Special Assessments associated with Phase I of the city Square Improvement Project which will reduce the total debt required to finance the project.

Capital Projects Fund – This fund is used to account for all the expenditures associated with the improvements to the town square and proceeds of related interim debt.

Library Component Special Revenue Fund – This fund is used to account for all general tax and other receipts specifically for the Library. Disbursements from this fund are for all Library operating expenses/expenditures and fixed charges and capital improvement costs.

Proprietary Fund Types –

City Sewer Fund – This fund is used to account for all user charges and other receipts and all disbursements associated with operations and maintenance of the City's wastewater and sanitary sewer systems.

Component GMU Water and Electric Funds – Separate water and electric funds are used to account for all user charges and other receipts and all disbursements associated with operations and maintenance of providing potable water and electric energy to the citizens of the City.

D. ***Measurement Focus and Basis of Accounting*** –

Basis of accounting refers to when revenues and expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied.

The City and its components, Library and GMU, maintain financial records on the basis of cash receipts and disbursements and the accompanying financial statements are presented on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable, depreciation and accrued items. Accordingly, the accompanying financial statements do not present the financial position and results of operations of the funds in accordance with accounting principles generally accepted in the United States.

See Independent Auditors' Report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The City and Library are not required to and do not maintain a fixed asset or infrastructure accounting record. Greenfield Municipal Utilities, for the water and electric systems, does maintain fixed asset records which information is included in their separately issued accrual financial statements.

E. *Use of Estimates* –

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

F. *Budgets and Budgetary Accounting* –

In accordance with the Code of Iowa, the City Council annually adopts a budget on the cash basis following required public notice and hearing for all funds and component units, except for agency, internal service and nonexpendable trust funds. The annual budget may be amended during the year utilizing similar statutorily prescribed procedures. The budgetary comparison and related disclosures are reported as Required Supplementary Information.

NOTE 2 - DEPOSITS AND INVESTMENTS

The deposits of the reporting entity at June 30, 2006, were entirely covered by federal depository insurance, or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

All members of the reporting entity are authorized by statute to invest public funds in obligations of the United States Government or any of its agencies and instrumentalities, in time deposits or savings accounts in depositories approved by the governing bodies and Treasurer of the State of Iowa, prime eligible banker's acceptances, certain high-rated commercial paper, perfected repurchase agreements, certain registered open-end management investment companies, certain joint investment trusts, and warrants or improvement certificates of drainage districts.

Management records certificates of deposit as investments. All investments at June 30, 2006 were held as certificates of deposit and cost is the same as carrying value. All cash and investments of the City, Library and GMU are handled in a similar manner.

Long-term debt is segregated between the amounts to be repaid from governmental activities and the amounts to be repaid from proprietary activities. Outstanding debt as of June 30, 2006, is as follows:

Resolutions providing for the issuance of the GMU revenue obligations include the following provisions:

- The bonds will only be redeemed from the future earnings of the enterprise activity and the bondholders hold a lien on the future earnings.
- Sufficient monthly cash transfers shall be made to an electric revenue bond and interest account for the purpose of making the next annual principal and interest payments when due. This account was fully funded at June 30, 2006.
- Additional monthly cash transfers shall be made to an electric revenue bond reserve account until such account reaches a maximum balance of \$247,500. This amount is restricted for paying principal and interest which the bond and interest account may be unable to pay. This account was fully funded at June 30, 2006.
- Cash transfers shall be made to an electric improvement account until such account reaches a maximum balance of \$150,000. This account is restricted for paying for extraordinary maintenance costs, rentals, improvements, extensions or repairs to the system not included in the annual budget of revenues and current expenses, and bond principal and interest. This account was fully funded at June 30, 2006.

NOTE 4 - PENSION AND RETIREMENT BENEFITS

The City, including its components, contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost-sharing, multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits as established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa 50306-9117.

See Independent Auditor's Report.

NOTE 4 - PENSION AND RETIREMENT BENEFITS (Continued)

Plan members are required to contribute 3.70% of their annual salary and the City, including its components, is required to contribute 5.75% of annual covered payroll except for police employees, for which the percentages are 6.16% and 9.23%, respectively. For the year ended June 30, 2005, the contribution rates for police employees and the City were 6.16% and 9.23% respectively, and for the year ended June 30, 2004, the contribution rates for police employees and the City were 5.93% and 8.907%, respectively. Contribution requirements are established by State statute. The City's contribution to IPERS for the years ended June 30, 2006, 2005 and 2004 was \$46,500, \$43,500 and \$39,300, respectively, which met the required contributions for each year.

NOTE 5 - DEFERRED COMPENSATION PLAN

The City, together with its components, offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all employees, permits them to defer a portion of their current salary until future years. The employee becomes eligible to withdraw funds upon termination, retirement, death, or unforeseeable emergency.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are held in a third party trust for the exclusive benefit of participants and their beneficiaries.

NOTE 6 - COMPENSATED ABSENCES

City and component employees accumulate a limited amount of earned but unused vacation and sick leave hours for subsequent use or for payment upon termination, retirement or death. These accumulations are not recognized as expenditures by the City or by its components until used or paid. The approximate liability for vested compensated absences at June 30, 2006, based on rates of pay then in effect and primarily relating to the general fund and enterprise funds, is as follows:

	City	Library	GMU	Total
Vacation	\$11,203	\$ 1,386	\$ 16,769	\$ 29,358
Sick Leave	22,309	7,560	47,244	77,113
Totals	<u>\$33,512</u>	<u>\$ 8,946</u>	<u>\$ 64,013</u>	<u>\$106,471</u>

NOTE 7 - INTERFUND TRANSFERS

The City pays GMU for utility services used and GMU makes a transfer payment to the City. For the year ended June 30, 2006, the City received a total of \$115,000 from the GMU electric department.

Transfers generally move resources from the fund statutorily required to collect the resources to the fund which may statutorily disburse the resources. Details of all transfers between funds of the primary government and between the primary government and its components for the year ended June 30, 2006, are as follows:

See Independent Auditors' Report.

NOTE 7 - INTERFUND TRANSFERS (Continued)

From City General Fund to Library	\$ 98,888
From City Employee Benefit Fund to City General Fund	107,314
From City General Fund to Capital Projects Fund	38,670
From City Road Use Tax Fund to City Debt Service Fund	12,424
From City Tax Increment Financing Fund to City Debt Service Fund	54,535
From GMU Electric Funds to City General Fund	115,000
Total	<u>\$ 426,831</u>

NOTE 8 - RELATED PARTY TRANSACTIONS

During the year ended June 30, 2006, the City had business transactions with City officials totaling \$2,485 and a component, Greenfield Municipal Utilities, had business transactions with a utility official's spouse totaling \$44,664.

NOTE 9 - RISK MANAGEMENT

The City of Greenfield and its components are exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks, except for loss of infrastructure, are covered by the purchase of commercial insurance. The City or its components assume liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 10 - COMMITMENTS

The City and/or its components have the following commitments at June 30, 2006:

- A. The City has contracted with the Adair County Sanitary Disposal Commission for solid waste disposal. The contract provides for the rate to be the amount necessary to fund the City's proportionate share of the disposal commission's budgeted expenses and runs from inception, June 30, 1973, until terminated. For the year ended June 30, 2006, \$19,161 was paid pursuant to this agreement.
- B. The component, Greenfield Municipal Utilities, has a 40 year contract with Southern Iowa Rural Water Association (SIRWA) and a 10 year contract with the City of Fontanelle to provide potable water. The quantity provided to SIRWA and Fontanelle shall not exceed 52,257,879 gallons and 20,000,000 gallons per year, respectively.
- C. Greenfield Municipal Utilities is one of twelve members of SIMECA (South Iowa Municipal Electric Cooperative Association). SIMECA is a member of Central Iowa Power Cooperative (CIPCO) and has a long-term contract with CIPCO for the purchase and the transmission of up to 621.0 KVA of electric energy on behalf of SIMECA members. This 15.5 year contract running through December 31, 2008 provides for minimum payments of \$200,000. The contract may be extended indefinitely unless terminated by giving a five year notice. Greenfield Municipal Utilities' share of the minimum payment is approximately \$32,000.
- D. Greenfield Municipal Utilities has awarded the bid for the transformer for the light plant substation to WESCO Distribution in the amount of \$409,080.

See Independent Auditors' Report.

NOTE 11 - BUDGET OVERSPEND

The City disbursements for the year for the programs, Public Safety, Public Works, Community and Economic Development, and Debt Service exceeded the amount budgeted by \$3,979, \$156,580, \$ 2,149, and \$6,423, respectively.

CITY OF GREENFIELD, IOWA

NOTES TO BUDGETARY COMPARISON SCHEDULE

In accordance with the Code of Iowa, the City Council annually adopts a cash basis budget, which includes the City's components, following required public notice and hearing for all funds. The annual budget may be amended during the year utilizing similar statutorily prescribed procedures.

The property tax calendar is as follows:

January 2	-Valuations set for ensuing levy
March 15	-Certified Budget to County Auditor
July 1	-Taxes levied are due and payable
October-April	-Taxes are delinquent and interest accrues at 1.5% a month from October 1 or April 1 to date of payment
	-County publishes tax sale certificate and interest accrues at 2% a month

Formal and legal budgetary control is based upon ten major classes of disbursements, known as functions, not by fund or fund type. These ten functions are: public safety, public works, health and social services, culture and recreation, community and economic development, general government, debt service, capital projects and business type activities and non-program.

Functional disbursements required to be budgeted include disbursements for the General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds and Proprietary Funds. Although the budget document presents function disbursements by fund, the legal level of control is at the aggregated functional level, not by fund.

Appropriations lapse at the end of the year.

Actual and final budget expenditure amounts for components included in the budgetary comparison are as follows:

	Net Actual	Final Budget
Library, included as Culture and Recreation Function	\$ 116,574	\$ 125,268
Water Department Included as Business Type Activity	505,497	602,500
Electric Department Included as Business Type Activity	3,139,101	3,438,800

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

City of Greenfield
Greenfield, Iowa

We have audited the accompanying financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, and each major fund of the City of Greenfield, Iowa, as of and for the year ended June 30, 2006, which collectively comprise the City's basic financial statements listed in the table of contents and have issued our report thereon dated August 4, 2006. Our report expressed an unqualified opinion on the financial statements which were prepared in conformity with another comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide an opinion on the internal control over financial reporting. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the City's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material affect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. We did, however, note instances of overspending the budget which are discussed more fully in the Schedule of Findings and Questioned Costs, item IV-B-06.

Comments involving statutory and the other legal matters about the City's operations for the year ended June 30, 2006, are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the City. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

This report, a public record by law, is intended solely for the information and use of the officials, employees and citizens of the City of Greenfield and other parties to whom the City of Greenfield may report. This report is not intended to be and should not be used by anyone other than these specified parties.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED JUNE 30, 2006**

PART I: SUMMARY OF THE INDEPENDENT AUDITORS' RESULTS

- (a) An unqualified opinion was issued on the financial statements which were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principals.
- (b) No reportable conditions in internal control over financial reporting were disclosed by the audit of the financial statements.
- (c) The audit did not disclose any non-compliance which is material to the financial statements.
- (d) The audit disclosed no audit findings which are required to be reported in accordance with *Government Auditing Standards*.
- (e) The dollar threshold used to distinguish between Type A and Type B programs was \$500,000. There were no federal programs in excess of \$500,000.

CITY OF GREENFIELD, IOWA

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED JUNE 30, 2006

PART II: FINDINGS RELATED TO THE FINANCIAL STATEMENTS

INSTANCES OF NON-COMPLIANCE:

No matters noted.

REPORTABLE CONDITIONS:

No matters noted.

PART III: FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

INSTANCES OF NON-COMPLIANCE:

No matters noted.

REPORTABLE CONDITIONS:

No matters noted.

PART IV: OTHER FINDINGS RELATED TO REQUIRED STATUTORY REPORTING

- IV-A-06 **Official Depositories** - A resolution naming depositories for combined funds of the City, Library and Utilities has been approved by the City Council or Board of Trustees. The maximum deposit amounts stated in the resolution were not exceeded during the year. The depositories named and maximum deposit amounts authorized are as follows:

First National Bank	\$ 4,000,000
Union State Bank	4,000,000

- IV-B-06 **Certified Budget** - Disbursements during the year ended June 30, 2006, exceeded the amounts budgeted by a net amount of \$169,131. Chapter 384.20 of the Code of Iowa states in part that public monies may not be expended or encumbered except under an annual or continuing appropriation.

The Budget overspends by the City were \$3,979, \$156,580, \$2,149, and \$6,423 in the public safety program, public works, community and economic development program, and debt service program, respectively.

Recommendation - The budget should be amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements are allowed to exceed the budget.

Response - Possible budget overspends will be more closely monitored in the future and, if needed, properly amend the budget.

Conclusions - Response accepted.

PART IV: OTHER FINDINGS RELATED TO REQUIRED STATUTORY REPORTING (Continued)

V-C-06 **Questionable Disbursements** - We noted no expenditures that we believe would constitute an unlawful expenditure from public funds as defined in an Attorney General's opinion dated April 25, 1979.

IV-D-06 **Travel Expense** - No expenditures of public money for travel expenses of spouses of officials or employees were noted.

IV-E-06 **Business Transactions** -

Name, Title and Business Connection	Transaction Description	Amount
City -		
Robert Guikema, Mayor Greenfield Lumber Company	Supplies	\$ 2,485

Chapter 362.5 provides that purchases of less than \$2,500 are not in conflict with the prohibition against contracts with related officials. The City Council and Board of Trustees wants to encourage local purchases as provided in Chapter 23A.3 and to that extent both have issued resolutions to purchase locally whenever possible. When buying locally, it is the reporting entity's policy to rotate recurring and repeat purchases among all the providers in the local area. Further, the reporting entities specifically authorize by resolution all purchases from related officials' businesses.

IV-F-06 **Bond Coverage** - Employee dishonesty coverage of officials and employees is in accordance with statutory provisions. We recommend the amount of coverage be reviewed annually to insure that the coverage is adequate for current operations. Officials and related bond coverage are reported separately in the City's annual financial statements.

IV-G-06 **Minutes** - No transactions were found that we believe should have been approved in the minutes, but were not. Minutes of all governing bodies were published within the 15 days required by Chapter 372.13(6) of the Code of Iowa. We did note, however, that the annual wage report was published several months after the calendar year ended.

IV-H-06 **Deposits and Investments** - We noted no instances of noncompliance with the deposit and investment provisions of Chapter 12B and 12C of the Code of Iowa or with the written policies adopted by the governing bodies.

IV-I-06 **Revenue Notes** - Covenants of revenue notes issued by Greenfield Municipal Utilities require the set aside of money into bond and interest funds and other reserve funds. All sinking and reserve funds were fully funded at June 30, 2006.
